### Already the fourth time at the after work run

09.09.2016 News

Running is the most favourite sport for some Infastaub employees.

It is not surprising then, that also this year Infastaub was represented with a team at the „Bad Homburg runs after work“ event.

Having mild late summer temperatures, the runners started September 8th for the 5 km course. Michael Graf didn't even need 20 minutes for the distance, closely followed by Klaus Schott who needed some more seconds. Sebastian Raßbach reached the finish line after 25 minutes. Also a fantastic performance. Altogether the running team was placed 32nd out of 364 teams. We think this is a great result.

Some colleagues were positioned at the roadside and cheered powerfully for the team. Afterwards, the achievements of the starters were celebrated together. The band „Street Life Family“ took care of musical scale.

As every year, three Euro entry fee of every starter went to the Leberecht foundation, which supports handicapped and socially disadvantaged children, teenager and their families.
