Easy change of new filter cartridges

Pocket filter with sintered membrane filter elements

„Minion“ or super mini filter?

### **Easy change of new filter cartridges**

Filter cartridges – as well as with every other filter unit - have to be changed in regular intervals. Compared to common fastening mechanisms, Infastaub has significantly simplified this system. [...]

### **Pocket filter with sintered membrane filter elements**

Filter specialist Infastaub extends its pocket filter series Infa-Jet AJN by a variant with sintered membrane filter elements. [...]

### **„Minion“ or super mini filter?**

The filter unit with the official type designation AJM 150 is just 17 cm in diameter, has a total height of 51 cm and is equipped with only one filter bag. [...]
