Lane change: Carrera meets Infastaub at Powtech.

30.08.2017 News

Change speed and lanes on the Infastaub race track. Discover driving pleasure in an all-new way. Start from the pole position with Infastaub and celebrate on the finish line. The round times are measured exact to the second. Daily you can win three prizes for the best laps.

POWTECH takes place in less than a month. Last year, around 16,200 visitors took the opportunity to get first-hand information on bulk material technology. Of course, Infastaub is there again, too. We cordially invite you to visit us at our stand 376, hall 4 - central, at the heart of the event.

We are pleased to send you a voucher code by mail or a registration code by email. Please register until 28.09.2017 at www.powtech.de/voucher using your voucher code for your free e-ticket (1-day ticket) and print it for direct access to the exhibition via fast lane!
