Running for a good purpose

07.09.2017 News

Once a year more than 2.000 runners and walkers start in Bad Homburg in order to run for a good purpose. Three Euro of each start fee are given as donation for the Leberecht foundation for handicapped and socially disadvantaged children, teenagers and their families. It was the fifth event of its kind.

Almost 1.500 runners and 700 walkers made the 5 km long distance with a lot of energy and enthusiasm.

Five employees of Infastaub who are keen on sports, participated again. Colleagues encouraged the runners enthusiastically. Afterwards they celebrated together.

Klaus Schott, our Marathon experienced colleague of the order management department, finished in a great time of 20:18 minutes and achieved the 52nd rank. The team scoring (time of three runners) amounted to 1:08:28. That means rank 24 out of 440 teams. Congratulation to all runners. We are proud of you.

Three Infastaub employees also started at the Muddy Angel Run 2017. „Do good and look

dirty with it“ is the motto of the run. The participants and Muddy Angel initiatives want to combine elucidation against breast cancer, fun and team spirit.

A 5 km long distance, 12 funny obstacles and of course a lot of mud waited for the participants. Respect to this achievement!
