

# Detailview for term

**name of the term: Commissioning**

**descriptions of the term:**

## Commissioning

First-time intended use of a mashine / plant recognised by machine directive.

The first-time intended use of a mashine is only allowed when the mashine is according to the requirements of the relevant EC guidelines and proved and documented by the EC declaration of conformity and CE label. After commissioning the responsibilities of the operator get started according to the industrial safety regulation. [Quelle Wikipedia]
